"I'm eager to encourage you in your faith, but I also want to be encouraged by yours. In this way, each of us will be a blessing to the other'." **Romans 1:12**

Men are finding that the daily struggles they try to face alone seem to overwhelm them. And can give us a false sense of manhood. Are you seeking a foundation can help you in your walk of faith. Are you willing to meet on a regular basis with men who desire to walk closer to Christ? Are you will to explore ways to help you become a better man, father, husband or Christian?

"As iron sharpens iron, so one man sharpens another."
Proverbs 27:17."

Join other men on each Thursday, at 6:30 pm as we explore the starting a Men's Faith Group. See you then.
